

## **Itinerary**

### **Adress**

Ganzenmarkt 14  
3512 GD Utrecht  
The Netherlands

### **navigation**

To reach Theater Kikker, you best set your sat-nav system to: Minrebroederstraat 1, and continue straight ahead for 50 meters. You will find us at your right side.

### **low emission zone**

Utrecht city centre is a so called "milieuzone" (low emission zone). This means no diesel cars/vans are allowed which are made before 01/01/2001. Same goes for Trucks with an engine lower than type Diesel Euro IV.

### **parking**

We do not have a spot to park cars/vans/trucks at the theater. We do have 1 parking permit per hall, to park in the neighbourhood. For trucks we have a couple of options just outside the city centre.
